PURPOSE OF DATA COLLECTION

This certification applies to Google LLC and its wholly-owned U.S. subsidiaries, including X (a division of Google LLC) and Chronicle LLC, and any other wholly-owned U.S. subsidiary of Google LLC to the extent of any current separate self-certification by such entity. With respect to personal data other than human resources data: Data is processed for various purposes depending on the particular product or service being provided, including: sales and marketing to consumers and businesses; supplying services and products to consumers and businesses; operating, developing and improving services and products of Google and/or any of its wholly-owned U.S. subsidiaries identified below; personalizing services and products; financial processing and management; supplier, vendor and partner relationship management; fraud prevention, security, and protection of Google, its wholly-owned U.S. subsidiaries, and our users; compliance with applicable law and governmental, legislative and regulatory bodies; and customer support and relationship management. Data is disclosed to third parties as detailed in our relevant Privacy Policies, listed below, including: in situations in which we have consent, for external processing, with domain administrators, and for legal reasons. With respect to human resources data: Data is processed for various employment and legal purposes, including: recruitment and staffing; compensation, benefit programs and payroll; performance management and training; compliance and risk management; workplace management; protection against injury, theft, legal liability, fraud and abuse; and other business purposes. Data is disclosed to third parties as detailed in our relevant Privacy Policies, listed below, including for business-related and legal purposes. We currently do not rely on the Swiss-U.S. Data Privacy Frameworks and the UK Extension to transfer Swiss and UK personal information to the U.S..
